Almost done! Lastly, we want to be absolute certain that agreements are in place in order to avoid any disagreements.

PHILOSOPHICAL AGREEMENT

I hereby agree and understand that health is a state of optimal physical, mental and social well being, not merely the absence of disease. I understand that all doctors of Chiropractic Plus do not offer diagnosis or treatment for specific diseases. Our only practice objective is to eliminate interference to the expression of the body's innate wisdom and to create an alkaline or anti-inflammatory environment that supports your body to integrate, update and hold your treatments (adjustments).

ASSIGNMENT, AUTHORIZATION AND FINANCIAL AGREEMENT

I hereby consent to a chiropractic evaluation and examination, sEMG, Thermography, PWP (Heart Rate Variability) scan, x-ray(s), chiropractic treatment(s), supplements, healthy lifestyle information (books, CD's, DVD's etc), activities of daily living information or laboratory procedures rendered to the client which Dr. Huber and her associate doctor(s) may consider or advise in the treatment of my case and guarantee payments of the charges incurred. I hereby assign and authorize payment of insurance benefits directly to Chiropractic Plus. I hereby authorize the above named doctor(s) to release information requested on this form and I further authorize release of any and all medical records or other pertinent information necessary to obtain payment. I understand that payment is due at the time service is rendered, and the above named doctor(s) / Chiropractic Plus will not accept the responsibility for filing collection of my insurance claim of benefits or negotiation of a settlement with my insurance company. I know I am responsible for payment of my account and I understand and agree that I am ultimately responsible to ensure that all services needing pre-authorization by my insurance company are pre-authorized and that any balances for denied services, deductibles, coinsurances and co-pays are my responsibility to pay.

TERMS

Net 30 days from the date of the invoice unless otherwise indicated above. A finance charge of 1.5% per month (annual percent rate 18%) of the unpaid balance will be added monthly. Should collection become necessary, the responsible party agrees to pay an additional 40% collection fee and all legal fees of collection, with or without suit, including attorney fees and court costs.

CONSENT TO EVALUATE AND TREAT A MINOR

OFFICE POLICIES

Patient-Doctor Agreements
The purpose of these agreements is to allow us to more completely serve you and to get the best result in the shortest amount of time. It is our experience that those who adhere to the following agreements get the best results.

Signing In
When you arrive, please sign in at the front desk. You will be called and assigned a treatment room in the order you signed in. Other patients may be called before you because of the particular services being received that day or their doctor may be available before yours. When you go to the assigned treatment room, rest, relax and the doctor will be in as soon as possible.

New Injuries
In the event you sustain a new injury. Please let the front desk know as soon as possible. There may be additional paper work to be filed out.

Appointments
After your treatment, please be sure to stop at the front desk to take care of any co-pays or balances, and be sure to make your next appointment.

Payment of Bills
We will expect that you honor all financial agreements made with our office. If you find that you cannot fulfill your financial obligation, notify our financial manager immediately so that new arrangements can be made. Our policy is that patients maintain a zero personal balance. Insurance companies are expected to pay their portion within 45 days of claim submission. If they do not, we expect the patient to call the insurance company on our behalf to help get the claim paid. If an insurance company sends a check to your home, it should be brought or sent to our office as soon as possible unless told specifically this is not the case. Please also bring in the attached explanation of benefits (EOB).

Rescheduling Appointments
We have set up a specific course of treatment for you. A certain number of treatments in a set amount of time are required for us to get the results we both desire. If you need to change this time, please reschedule your appointment for another time on the same day if possible. If the same day is not possible, be sure to make up the missed appointment within one week. **For our massage therapy patients, a 24-hour advance notice phone call is required, so that we may fill that slot. If 24 hours notice is not given a no show/cancellation fee will be charged to your account.**

Progress Evaluations and Re-Examinations
Progress evaluations and re-examinations will be performed periodically to determine your rate of progress and future course of treatment. A special time will be set up for your re-evaluation appointments.

Upsets
We are here to serve YOU. Please speak with the staff or doctor about anything that could be upsetting you (i.e. long waits, staff insensitivity, treatment confusion etc.). We see your comments as helping us to help you and others.

Informed Disclosure and Consent:
Chiropractic Spinal Adjustment Procedures and Physical Modalities

You have the right as a patient to be informed about your injuries and/or condition, as well as the doctor's recommended procedures and any necessary referrals to be utilized to evaluate and treat your complaints.
There are potential risks and benefits in all forms of commonly used treatments, including deciding on non-treatment in the hope that the pain and/or lack of ability to perform normal activities will eventually go away. Evaluations at this office consist of a thorough regional examination of your complaints and any necessary diagnostic X-rays. If you are a female of child bearing age, you must inform the physician if there is even the slightest possibility that you may be pregnant (you must be sexually active and have missed a menstrual period), as X-rays can have harmful effects on a fetus. The physician will perform various Range of Motion and Orthopedic Stress Tests to determine the most likely cause of your pain and most appropriate course of treatment for each of your complaints. Your non-surgical spinal-related complaints will be treated with specific chiropractic spinal adjustment procedures using the hands or a mechanical instrument. You may feel joint movement and hear joint noises during the procedure. Minor temporary soreness may occur, particularly early in the treatment, or during periods of flare-up with your return to normal activities; this is also true of massage therapy and physical therapy. More significant risks (for example, fractures, sprains/strains, strokes and disc injuries) are rare. Chiropractors, or D.C.'s, have the lowest medical malpractice insurance claims of all primary care physicians in the USA, including M.D., D.O., D.D.S., D.V.M. and D.P.M. practitioners. The for-profit malpractice insurance industry has determined there is less risk involved in chiropractic spinal adjustment procedures and the adjunct therapies than in the prescribing of medication and surgery (both of which, however, may be necessary for a patient's recovery).

I, _____, do not expect the doctor to be able to anticipate and explain all potential risks and complications, and I wish to rely on the doctor's education, training and experience to exercise judgment during the course of treatment, based on the facts then known, to do what is in my best interest. I further acknowledge that treatment may worsen or fail to relieve all of my spinal-related pain and that no guarantee of a "new spine" or complete cure have been given. I have had the opportunity to ask questions, and all my questions have been answered fully and satisfactorily. By signing below, I consent to the prescribed treatment plan and intend for this consent form to cover the entire course of treatment for my current complaints and for future conditions for which I seek treatment for my current complaints and/or therapists working at this office (or for the minor patient named below for whom I am the custodial parent or legal guardian).

ASSIGNMENT, LIEN AND AUTHORIZATION/INSURANCE BENEFITS

For and in consideration of receiving services by "Assignee" and for other good and valuable consideration, I hereby agree to the following: I authorize assignee to release any information pertinent to my case to any insurance company, adjuster, or attorney to facilitate collection under this Assignment, Lien, Reservation of Benefits and Authorization.

ASSIGNMENT OF BENEFITS, RESERVATION AND REQUEST TO ESCROW ANY DISPUTED BENEFITS:

I HEREBY ASSIGN MY insurance benefits and any and all causes of action available under my policy of automobile insurance to, DIAGNOSTIC IMAGING CONSULTANTS OF ST. PETERSBURG, PA d/b/a DIAGNOSTIC IMAGING CONSULTANTS hereinafter, collectively referred to as the Assignee. Additionally, both the assignee and the undersigned patient acknowledge they are foregoing or assuming certain rights under this agreement that they would not otherwise have under normal circumstances, and as such, agree the same serves as additional consideration for this assignment of benefits to the provider/assignees. In the event my insurance company, obligated to make payments to me upon charges made by assignee for services, refuses to make or reduces such payments and in order to maximize the benefits available under my policy coverage, I hereby request the insurance company (assuming there is coverage remaining at the time the company receives the Assignees' bill and if the company fails to pay Assignee the full amount of the bill(s) submitted), to avoid exhaustion of coverage while Assignee pursues its rights under this Agreement, both parties to this agreement (the Assignee and I) further authorize, direct, notice and request the Insurance Company to set aside and place in escrow an amount equal to the full amount of any such denial or reduction, and to hold that amount in escrow until the dispute is resolved in the appropriate forum.

IN THE EVENT MY insurance company obligated to make payments to me upon the charges made by Assignee for their services refused to make such payments, upon demand by me or Assignee, I hereby assign and transfer to Assignee any and all causes of action that I might have or that might exist in my favor against such company and authorize Assignee to prosecute said cause of action either in my name or in Assignee name and further I authorize Assignee to compromise, settle or otherwise resolve said claim or cause of action as they see fit.

I AUTHORIZE ASSIGNEE to release any information pertinent to my case to any insurance company, adjuster or attorney to facilitate collection under this Assignment, Lien and Authorization. I agree that the above mentioned Assignee be given Special Power of Attorney to endorse/sign my name on any and all checks and claim forms for payment of my bill.

I UNDERSTAND THAT I remain personally responsible for the total amounts due the Assignee for their services as insurance coverage may only pay a certain percentage of the bill; as, I may have an insurance deductible or my insurance benefits may exhaust or otherwise be limited. I further understand and agree that this Assignment, Lien and Authorization does not require Assignee to await payments and they may demand payments from me immediately upon rendering services at their option, although the Assignee agrees to first demand immediate payment from the insurance company as their first means of pursuing payment for services rendered. Also, I understand that if this account is assigned to an attorney for collection and/or suit, the assignee shall be entitled to reasonable attorney fees and costs of collection. I also understand that, if any bad check is written, I agree to pay for those added costs.
